

K-Love – Comment and Request  
October 21, 2004

I would request that K-Love be allowed to broadcast as far and wide and loud and long as possible – with all the support it can muster up from everyone.

K-Love has been a very important source for thousands upon thousands of people. With all of the violence, misery and suffering in the world as there is now, K-Love does nothing but GOOD THINGS for the community.

I can attest from personal experience that it was one of the few things that got me through a very rough time when my ex nearly destroyed our family because of his (used to be closet) prescription drug addiction. He hid it from everyone till he couldn't any more –

K-Love was what kept me from giving up – it is most needed in this world and does good – it must be allowed to continue and go forward in its positive manner.

Please know that kids are kept from suicide and brought to a better way of life, it is upbeat and encouraging to those who listen – there would truly be devastation if K-Love were not allowed to air –

I also believe in our own First Amendment rights to have K-Love broadcast along with other stations and not be FORCED into a small speck, corner –

I PERSONALLY CLAIM MY FIRST AMENDMENT RIGHT TO LISTEN TO K-LOVE –

It has been a most POSITIVE resource in our society and it is most definitely in the public interest to keep K-Love running full speed ahead

Please DO NOT TAKE AWAY MY K-LOVE.
